- (D) In a partial terminal show at least the grand champion and the reserve grand champion shall be slaughtered. Prior to the show, the sponsor of the exhibition may require that additional livestock from a partial terminal show shall be slaughtered. The livestock shall be consigned to slaughter either at the conclusion of the show or immediately following the exhibition.
- (E) All livestock required to be slaughtered under this rule shall be slaughtered at a meat establishment either licensed by the department or granted inspection by the United States department of agriculture.
- (F) Notwithstanding paragraphs (B), (C) and (D) of this rule, livestock required to be slaughtered under this rule may, at the option of the sponsor of the exhibition, be consigned to a licensed livestock facility for sale provided that:
 - (1) The livestock is consigned either at the conclusion of the show or immediately following the exhibition; and,
 - (2) The livestock is sold only for slaughter.
- (G) From the beginning of the exhibition until departure for slaughter or consignment to a licensed livestock facility, the exhibitor or the exhibitor's designee shall be responsible for caring for the livestock.
- (H) Livestock destined for slaughter or consignment to a licensed livestock facility shall not be removed from the exhibition grounds until the livestock is transported to slaughter, to the licensed livestock facility, or until the sponsor approves movement of the livestock to another secure area for:
 - (1) Disease control in accordance with paragraph (B) (4) of rule 901:1-18-03 of the Administrative Code; and
 - (2) Quarantine for residue to allow a withdrawal time as determined by the approved fair veterinarian or in accordance with the instructions listed on the drug use notification form to elapse and may be subject to testing.
- (I) All livestock destined for slaughter shall be subject to testing by the director in accordance with section 901.73 of the Revised Code.
- (J) Livestock carcasses passing inspection may be released for normal disposition.
- (K) During inspection or testing, if the livestock carcass is preliminarily determined to have been tampered with or found to contain an unlawful substance, one of the following shall occur:
 - (1) If the livestock carcass must be trimmed or reconditioned to comply with the meat inspection requirements, the carcass shall be trimmed and reconditioned and released to the exhibitor, unless the successful bidder accepts the trimmed or reconditioned carcass.
 - (2) If the livestock carcass cannot be trimmed or reconditioned, it shall be condemned in accordance with the meat inspection requirements.

(L) Livestock entered in or eligible for a carcass contest prior to or during a terminal, partial terminal or non-terminal show must be exhibition drug residue legal at the time of show and eligible for immediate slaughter.

901-19-03 Auction sales at terminal or partial terminal shows.

This is a mandatory rule.

- (A) A sponsor may hold an auction sale of livestock exhibited at a terminal or partial terminal show.
- (B) An exhibitor who exhibits livestock at a terminal show or partial terminal show consents to participating in the subsequent auction sale.
- (C) All bidders at an auction sale following a terminal show or partial terminal show consent to the slaughter of the livestock or delivery to a licensed livestock facility.
- (D) Title to livestock sold at an auction sale and subsequently presented for slaughter or sale at a licensed livestock facility shall remain vested in the exhibitor. If the exhibitor is not the owner, the title to the livestock shall remain vested in the owner until the livestock has been passed by inspection and released in accordance with paragraphs (K)(1) and (K)(2) of rule 901-19-02 of the Administrative Code and passes all testing performed by or at the direction of the department or the sponsor.
- (E) At the discretion of the sponsor, the sponsor may collect the sale proceeds from the successful bidder and retain the proceeds until the carcass of the livestock has been released, or may allow the successful bidder to withhold payment of the proceeds until the carcass is released. In the event the carcass is not released, the sponsor shall return the sale proceeds to the successful bidder.
- (F) Prior to the auction, the sponsor shall announce the identification of the exhibition livestock which have been administered drugs for which the withdrawal time has not elapsed.

901-19-04 Prohibited practices.

This is a mandatory rule.

No person shall:

901-19-05 Responsibilities of an exhibition sponsor.

This is a mandatory rule.

- (A) Every sponsor of an exhibition shall appoint a person as its records official. The records official shall receive and maintain the drug use notification forms filed under rule 901-19-06 of the Administrative Code.
 - (1) The records official shall reject any drug use notification form that is incomplete, illegible or unsigned. At the close of the exhibition the records official shall turn over the drug use notification forms received by him to the sponsor.
 - (2) The sponsor shall maintain all drug use notification forms for a period of one year from the close of an exhibition. The drug use notification forms shall be made available to the department for inspection and copying upon request.
 - (3) Review the submitted drug use notification forms prior to the show for compliance with paragraph (I) of rule 901-19-06 and rule 901-19-07 of the Administrative Code.
 - (4) Review the submitted drug use notification forms for compliance with paragraph (B) of rule 901-19-38 of the Administrative Code if applicable.
- (B) The sponsor of an exhibition shall provide information requested by the director on a form prescribed by the director at least ten days before the start of the exhibition.
- (C) Prior to the start of an exhibition, the sponsor shall establish a method of identifying each animal in a terminal, partial terminal, and non-terminal show and maintain a chain of custody for each market livestock animal from the show through consignment to either slaughter or a licensed livestock facility for sale. The sponsor shall maintain a record of the identity of each animal and its chain of custody for a period of one year from the date of the last day of an exhibition.
- (D) All county and independent agricultural societies and the Ohio expositions commission shall print Chapter 901:1-18 of the Administrative Code (Ohio's livestock health exhibition rules) in their premium book for the current year.
- (E) The sponsor of a county or independent agricultural society or the Ohio exposition commission shall provide a livestock exhibitor or an adult advisor, upon request, a copy of Chapter 901-19 of the Administrative Code and print in their current premium book the following notice:
 "Chapter 901-19 of the Administrative Code (Ohio's livestock tampering exhibition rules) will be made available to a livestock exhibitor or an adult advisor, upon request."

- (F) The sponsor may elect to include the entire text of Chapter 901-19 of the Administrative Code within their premium book.
- (G) All other exhibitions shall provide to exhibitors, upon request, a copy of Chapters 901:1-18 and 901-19 of the Administrative Code and shall include the following statement in at least one written announcement prior to the beginning of the exhibition:
 "The exhibition's management will provide, upon request of an exhibitor, a copy of Chapters 901:1-18 (Ohio's livestock health exhibition rules) and 901-19 (Ohio's livestock tampering exhibition rules) of the Administrative Code.

901-19-06 Drug use notification.

This is a mandatory rule.

- (A) The exhibitor and the owner of an animal are jointly and severally responsible for completing and filing out the drug use notification form in the manner required by this rule.
- (B) The drug use notification form shall be signed by either the exhibitor or the owner. If the person signing the form is a minor child, the form shall be cosigned by a parent or guardian of the minor child.
- (C) A drug use notification form shall be completed for every animal from which a test sample is collected at every terminal and partial terminal or non-terminal show, and for every animal that is administered a drug either immediately before or during an exhibition.
- (D) The director shall require a drug use notification form to be completed for the following livestock exhibited in a junior livestock show:
 - (1) Market steer;
 - (2) Market hog;
 - (3) Market lamb;
 - (4) Veal calf;
 - (5) Market dairy steer;
 - (6) Market goats;
 - (7) Market poultry;
 - (8) Lactating dairy cattle; and
 - (9) Lactating goats.
- (E) The drug use notification form shall be filed with the records official prior to the show in which the animal is entered.
- (F) The director may require a drug use notification form to be completed for livestock exhibited at any type of show including a non-terminal show.
- (G) If the information on the form regarding drug use changes or if a drug is subsequently administered at any time after the drug use notification form is filed, an updated drug use notification form shall immediately be filed with the records official.
- (H) No person shall submit an incomplete, illegible or unsigned drug use notification form.
- (I) When a drug use notification form submitted to a records official for livestock is incomplete, illegible, or unsigned neither the exhibitor nor the owner shall, until the defect is corrected:
 - (1) Receive any prizes or awards from shows in which the livestock was exhibited prior to the time the drug use notification form was to be filed.
 - (2) Participate in any shows or sales held subsequent to the time the drug use notification form was to be filed.

901-19-07 Quality assurance.

This is a mandatory rule.

- (A) Except as stated in paragraph (B) of this rule, sponsors shall require exhibitors at fairs sponsored by county or independent agricultural societies or the Ohio exposition commission to annually attend or complete a quality assurance program sponsored and conducted cooperatively by the exhibition sponsor, Ohio state university extension, Ohio agricultural education, or agricultural commodity organizations.
- (B) At the discretion of Ohio state university extension, or Ohio agricultural education, an exhibitor may pass a test based on the appropriate skill level for their age (twelve to fourteen or fifteen to eighteen) under the supervision of Ohio state university extension or Ohio agricultural

education before exhibiting terminal or partial terminal market livestock, including market poultry, lactating dairy cattle and lactating goats in a junior livestock show. Youth who pass the test will be exempt from annual quality assurance re-certification until they move to the next age bracket or they are no longer a junior exhibitor (nineteen years of age or older on January first of their last year). Minimum standards for youth food animal quality assurance are as set forth in appendix A to this rule.

- (C) Exhibitors who fail to attend or complete a quality assurance program or fail to pass the exam as outlined in paragraph (B) of this rule may be subject to the disciplinary actions listed in rule 901-19-21 of the Administrative Code.
