MORROW COUNTY TRUCK & TRACTOR PULLS

Field Stock Farm Tractor Pull Rules

1. MUST BE FACTORY CAST CENTER WHEELS

NO PRESSED STEEL WHEELS !!!!!!!!

2. NO AUXILIARY FUEL PUMP AND BELT-DRIVEN PUMPS

3. BRING YOUR OWN 3 ¾- INCH CLEVIS OR HOOK POINT. Pulling eyes will be permitted. Must be bolted with a 1-inch bolt or drawbar pin. The sled hook must hook in and out freely.

4. Tractors must have all wheels and rear fenders attached.

5. Contest is open to all rubber-tired, farmer-owned tractors. (No industrial)

6. Tractors may enter more than one class, but only once in each class. Entry fee for each class.

7. Weight includes driver. No weight changes. All weights must be securely fastened to the tractor chassis. Front weights must not extend beyond 24 inches from the tractor. Rear weights must leave clear access to the hitch point. Loss of weight will disqualify entry.

8. Stationary hook point height is a maximum of 20 inches from the ground to the top of the hitch point, with hitches no closer than 18 inches to the center of the rear axle. No drawbar will be allowed to be raised after the pull has started.

9. Dual wheels, tire chains, or sharpened tires are not permitted.

10. Maximum RPM 3000

11. Each tractor pull will end when the tractor spins out, powers out, stops, or is stopped by judges. Anyone who fails to stop when the judge raises red flags will be disqualified.

12. Drivers must be 16 years of age or older with a valid driver's license.

13. Contestants will have one chance to change gears within the first 100 feet.

14. The tractor driver must always remain seated during the pull and must have one hand on the steering wheel.

15. Tractors may be checked after their pull to see if there is any question or rule violation.

16. Any person under the influence of alcohol or operating a tractor in an unsafe manner will be disqualified.

17. All tractors must have factory starters, PTOs, hydraulics, a factory manifold, and a turbo.

18. All engines must appear visibly stock to the year, make, and model.

19. Straight exhaust on turbo tractors. Exhaust must exit upwards.

20. Only one turbo for stock farm classes.

21. FOR FIELD STOCK CLASS ONLY: 7mph speed limit will be enforced

22. All decisions of the Rules Committee are final.
