FIGURE 8 CONTEST

Sunday, September 6, 2026 – 7:00pm

OPEN TO THE WORLD

FIGURE 8 FULL SIZE AND COMPACT TRUCK RULES AND REGULATIONS

GENERAL: All entrants must be 18 years or older. The Morrow County Fair Board (Morrow County Agricultural Society), Committee Members, EMS, Law Enforcement, Fire Department, Morrow County Inspectors and Officials, and any associated members WILL NOT be held responsible for any bodily injuries or damage of cars, participants, spectators, mechanics, or car owners.

Any protest must be requested at least 10 minutes before the first truck of the first scheduled heat rolls onto the track. A $100 fee and the specific area of protest must be produced before the vehicle is re-inspected. If the protest is upheld, that particular vehicle will be forced to correct what is found to be illegal or will not be allowed to participate.

All winning trucks may be subject to re-inspection after heat or feature to confirm that the truck is legal. If the truck is not legal, the participant will forfeit their entry fee, prize money, and trophy. The Morrow County official's decisions are final. All participants must wear a helmet, eye protection, long sleeve shirt, pants, and closed toe shoes. All trucks must have a seat belt and working brakes before inspection.

A full size truck is any truck model rated ½ ton or greater with a 6 or 8-cylinder engine. A compact truck is any truck model rated less than ½ ton with a 4 or 6-cylinder engine. Any truck model rated ½ ton or less with an 8-cylinder engine will be considered a full size truck.

A compact car is a passenger car with a wheelbase of 109'' or less. ALL FIGURE 8 COMPACT CARS MUST BE FRONT WHEEL DRIVE AND 4 OR 6 CYLINDER.

FIGURE 8 RULES

1. 4x4 or AWD trucks are NOT permitted. If the truck is 4x4 or AWD, the FRONT drive shaft must be removed prior to inspecting. All trucks must be rear wheel drive only.

2. Windshields are permitted. **All other glass including any side window, back glass, mirrors, and lights must be removed for safety reasons. Any remnants of broken glass must be removed prior to inspection. ALL GLASS MUST BE REMOVED PRIOR TO ENTERING THE FAIR GROUNDS, NO EXCEPTIONS**

3. The cabs and beds of participating trucks must be swept clean of any and all debris prior to inspection for safety reasons.

4. The doors must be wired, chained, or welded shut for safety reasons. If any door becomes open or detached during the event, the event will be stopped and that vehicle will be removed from the competition area.

5. Cages in the cab of the truck are allowed. A roll bar is permitted as well. If any of the cage components or roll over bar become detached during the event, that vehicle will be disqualified and removed from the competition areas for safety reasons.

6. Fabricated front bumpers are permitted but must NOT be wider than the factory dimensions of the front of the vehicle.

7. All tires must be D.O.T. approved. No skid loader or tractor lug tires for safety reasons.

8. All metal protective shield for the radiator is permitted.

9. It is recommended to replace the stock gas tank with a metal fuel cell or boat tank in the cab of the vehicle or in the center of the bed directly behind the cab of the vehicle. If replacing the stock tank, you may build a protective cage around the fuel cell. The fuel cell must be securely fastened and covered prior to inspection.

10. It is recommended to relocate the battery to the driver's compartment of the vehicle. The battery must be securely fastened and covered prior to inspection.
