

May 13, 2023

Dear Morrow County Jr Fair Organization,

We hope you are busy getting ready for the 2023 Morrow County Fair! We are excited to see you and all of the projects that your members have been working on.

The Junior Fairboard has been working hard to get ready for the fair as well. One particular area of focus is beautification improvements around the fairgrounds. We want to impress visitors and make them feel welcome when they visit our fairgrounds. And, we want our exhibitors to feel a sense of pride in the place where they show off the projects that they have worked so hard on. One way we can work towards this is with flower displays around the entrances to all the barns. We want to say a big Thank you to those that participated last year, the fairgrounds looked great. This is a big undertaking, but if we all work together, we can continue to make a difference. We would like to invite your group to sponsor one of the flower displays for 2023. Sponsoring a display will cost \$10. The Jr. Fairboard will supply the container and will identify your chapter name on the stock tank. You will be responsible for supplying flowers to fill the container.

There are no set colors to use in your display this year. However we would love to see creativity expressing this year's fair theme "Tiki Lights, Country Nights" This way, we will have continuity across the fairgrounds which will make the display more impressive. There are some great examples in the photos below. There is a contest for the best use of the theme! The winner will be chosen during the fair and a \$50 gift card for a pizza party will be awarded.

We recommend purchasing or starting plants now while the selection is more vast, and maintain the plants at home until time to transplant in August. This will minimize the time needed to travel to water the planters throughout the summer. The choice of locations of the planters will be based on last year and on a first come, first served basis. You are responsible for the watering and care of your display once you install it.

Please use the form attached to reserve your container by June 7th. Forms can be dropped off or mailed with a check to:

Morrow County Jr. Fair
P.O. Box 168
Mt. Gilead, OH 43338

Please contact us with any questions.

Thank you!
